FOREWORD

Technical Excellence in Martial Arts training is one of USJJF's top priorities. As Leaders in the Martial Arts, it is our sacred responsibility to ensure that all of our students receive the best possible "Mentoring" both in technique and philosophy of the Martial Arts.

Martial Art Training is the cornerstone of knowledge and the basis for credible self-defense skill and the perfection of human character. Training in a comprehensive taxonomy of Ju-Jitsu Skills is the "Key" by which the USJJF's Members develop their Martial Art Proficiency and exercise the collective capabilities required in self-defense or competition. Martial Art Training builds Character Development and, when necessary, prepares the Ju-Jitsuka to "Win" if or when confrontation (or combat) cannot be avoided.

While Senior Yudansha determine the direction and goals of training, it is the Dojo Sensei (& Assistant Sensei) who ensure that every training activity or class is well planned and rigorously conducted. These Rank Requirements are designed to guide and assist the Sensei to accomplish his or her goals in teaching the **US JU-JITSU** system. The **US JU-JITSU** Rank System is divided into sixteen separate divisions of training to include:

Posture and Stances	Tachi Waza
Body Movement	Taisabaki Waza
Striking Techniques	Ate Waza
Kicking Techniques	Geri Waza
Blocking Techniques	Uke Waza
Vital Point Techniques	Atemi Waza
Joint Locking Techniques	Kansetsu Waza
Combination Techniques	Renraku Waza
Strangulation Techniques	Shime Waza
Holding Techniques	Osae Waza
Breakfall Techniques	Ukemi Waza
Throwing Techniques	Nage Waza
Self-Defense Techniques (counter, escapes, avoidance)	Goshinjitsu Waza (Kaeshi, Fusegi, Furimi)
Formal Exercise	Kata
Free Practice	Randori
Sparring	Kumite

The United States Ju-Jitsu Federation, along with the **Ju-Jitsu International Federation**, has established the training doctrine & guidance. The Dojo Sensei should apply these guidelines and assist the USJJF Leadership in the further development & conduct of US JU-JITSU Training. These US JU-JITSU Rank Requirements provide the training & promotion guidelines for USJJF Sensei & students in the areas of martial art history, traditions, techniques, strategy & terminology. From these Rank Requirements, the USJJF will formulate and publish a comprehensive training manual and videos for the US JU-JITSU System.

Our duty as USJJF Leaders is to provide challenging and realistic Martial Arts Training for all of our Members. The National Federation will do its part, and I encourage all US JU-JITSU Sensei to study, understand, and teach the techniques, as well as the Budo Philosophy presented in this manual and on the USJJF Official Website. Sensei at every level must

redouble their commitment to accurate & comprehensive US JU-JITSU Training, remembering, that Technical Excellence is a "Top Priority" in the United States Ju-Jitsu Federation.

I wish to express my most sincere appreciation to Hanshi George E. Anderson, our Federation's Founder, for his extensive contributions and insight in producing this updated US JU-JITSU Rank System. I would also like to recognize and give thanks to Sensei Robert M. Carver, our Vice-President & Webmaster for all of his technical input on Ju-Jitsu and his outstanding efforts to make the US JU-JITSU Rank System accessible to all interested Ju-Jitsuka through the USJJF's Official Website. And in closing, I also want to express my sincere thanks to all Members of our Central Technical Committee for their input and support in producing this most comprehensive ju-jitsu training guide.
